Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the

basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on

sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Blosser. Blosser

discloses a golf tee comprising colored sections on the shaft for indicating the teed height of the

golf tee.

3. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Anderson. Anderson

discloses a golf tee having numbers and lines on the shank for indicating the teed height of the

golf tee.

4. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Strong, Kirikos,

Antonious or Cabot. These references each teach a golf tee having projections or recesses on the

shaft for indicating the teed height of the golf tee.

Conclusion

5. Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Steven Wong whose telephone number is 703-308-3135. The

examiner can normally be reached on Monday through Friday 7am-3:30pm.

Application/Control Number: 10/605,386 Page 3
